a benefit for

Captain Urban Eck

Joining the Wichita Fire Department in 1982, Urban Eck was promoted to lieutenant in 1989, and named captain in January 1994. After 27 years of service, Captain Urban Eck died suffering heart problems shortly after battling an intense blaze in December 2009. Capt. Eck is remembered by his colleagues as a humble presence and strong leader; a man who commanded respect through his actions and was recognized for his bravery in 2008 by Firehouse Magazine.

Eck is survived by his wife, Lori; his mother, Dorothy; eight children; eight grandchildren; and seven siblings.
